FILL OUT IN GOOGLE FORMS

I invite polytechnic students of your institute to fill out a survey on the students' perceived satisfaction in technology use in their learning. Staff and students are requested to share this form through students' emails or within the student groups such as Facebook, WhatsApp, and messenger groups, to reach the required number of students from your institute.

Survey on polytechnic Students' Perceived Satisfaction on Technology Use in their learning

I'm Souleman Sadam student in Islamic university of technology (IUT) in Dhaka. As part of my master's thesis in Technical and vocational education (TVE), I'm conducting research on polytechnic students' perceived satisfaction on technology use in their learning. Therefore, your answers to this questionnaire will help us in improving students learning experience with technology. The survey should only take 5 minutes, and your responses are completely anonymous.

Do you agree to the above terms? By clicking Yes, you consent that you are willing to answer the questions in this survey. *
